XPLORE
EXPERIENCE END-TO-END VISUAL COLLABORATION ON THE GO

TODAY, THE BEST DESIGNS, PRODUCTS AND CAMPAIGNS ARE CREATED BY MULTIFUNCTIONAL TEAMS, SPREAD OUT GLOBALLY. SO HOW DO YOU EFFICIENTLY MANAGE YOUR IDEAS, HARNESS CREATIVITY AND ASSETS AND MAKE COMPLEX VISUAL PROJECTS CLEAR TO EVERYONE INVOLVED?

Whether you are working on a desktop computer or a tablet, in the office or on the go, the mobile visual collaboration platform XPLORE is your opportunity to make informed decisions, while ensuring highest visual quality of reviews and complete security of data.

Enjoy creative temwork anytime, from anywhere. Involve all stakeholders in the review process via one central tool for efficient communication. Easy use and intuitive navigation,

with access via any major browser, make XPLORE perfect even for beginners, allowing them to search and share, view and review 2D assets, as well as 3D models, streamed in realtime.

XPLORE connects to PICTUREBOOK - the visual asset management platform that increases productivity and offers full transparency for visual data – from sketches, themes, concepts and CAD files to high-end 3D visualizations.

STAY IN CONTROL OF YOUR ASSETS

XPLORE makes secure content sharing quick and intuitive, enhancing the data-handling experience. Preview, upload and download assets with unprecedented ease and enjoy fast and responsive browsing even for high data volumes. Once selected, watch your assets come to life in large previews via on-demand loading. Filter, search, and create collections. Contents shared through HTML links can be accessed via any major browser. XPLORE supports a wide range of file formats from documents, slide presentations, and stills to image sequences and 3D models.

FACILITATE UNRESTRICTED VISUAL FEEDBACK

Boost feedback efficiency and accuracy by directly reviewing renderings or even 3D models in realtime. Lossless sketching and re-sketching facilitates unrestricted communication on the go, with annotations, previews and detail views for easier decision-making. Interested in documenting the current state of your product? Capture the moment by creating a 3D screenshot and render it using instant global illumination.
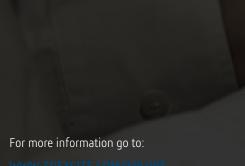

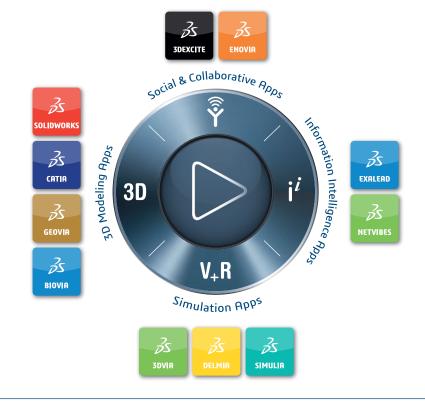

SHARE & PRESENT

RUN THE SHOW

Secure buy-in by getting everyone on the same page with flexible online product presentations. Get instant feedback by sharing screens with your audience - whether in a meeting, a webinar, or during a remote presentation. XPLORE gives you unrestricted access to your 2D and 3D assets, enabling you to share screens with your audience for smooth feedback loops. Win them over with live presentations that include simultaneous live sketching and live laser pointing.

Finally, watch your assets come to life in large-screen presentations and experience high-end visualization at its best.
